

Coastal Views Horse Treks

Spectacular views of South Island and of the Wellington harbour and city. See the Cook Strait in its natural moods, seeing big rolling sea swells crashing onto rocks. Learn a bit of history of the surrounding area, where one of N.Z's biggest maritime disasters happened. Where the Wahine ran aground at the entrance of the harbour. The Inter Islander ferries leaving for and returning from the South Island. Our horse treks cater for the experienced and inexperienced riders. For learner riders we will work with them so they get to experience that thrill of riding a horse but keeping safety a high priority during the rides. We want people to leave with smiles on their faces so that we know we have done our part in showing them the scenery and the type of rides we have on offer.
